

Our Classroom News

July 15th-19th, 2019

Reminders

- Please send in the forms from Meet the Teacher if you have not already - feel free to send them back in the Gator Folder on Tuesday.
- Please start getting in the habit of checking and sending your child's Gator Folder every day!
- Sign up for Remind if you have not already (link is on Newsletters and Info page of class website).

A Note From Mrs. Spivey

- I am so excited to have each and every one of your students in my class this year! Your students will be working very hard this week so don't be surprised if they are super tired when they get home - it can be quite an adjustment! Please feel free to contact me with any questions or concerns at sspivey@wcpss.net

A Peek At What We Are Learning

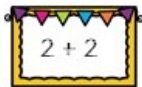

Reading

We'll be reading lots of books about the first week of Kindergarten! We will be practicing writing our names correctly (starting with a capital letter!) and our letter names and sounds.

Writing

Your child will be getting "certified" to use various writing tools this week! We will also be practicing "Kindergarten coloring."

Math

Students will be exploring all of the math manipulatives we'll be using throughout the year this week. Soon we'll be talking about counting by ones and tens!

Social Studies

We will be spending our first week learning all about our classroom community and about what it means to be a part of it!

&
Science

This week will be very centralized around our classroom routines and your students will be meeting some "helpful friends" that will help us learn about classroom behaviors and expectations.

Specials This Week

- Monday: PE Tuesday: TA (Ms. Chan will complete a fun activity with them) Wednesday: Art Thursday: Music Friday: Science
