A Peek At What We Are Learning

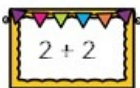

Reading

We will be reading Brown Bear, Brown Bear (one of my favorites!) and starting our own version of the book. We are practicing pointing and reading words with a 1:1 written to spoken ratio.

Writing

We will be starting our All About Me books. We are working on adding more details to our work even if we think we're done! We are also going to begin working on handwriting in our special Handwriting Books.

Math

We can't wait to start learning about counting by doing an activity with Chrysanthemum by Kevin Henkes. We'll also practice counting with the help of Anno's Counting Book.

Science

&

Social Studies

We are continuing to learn about what it means to be a part of our classroom community. We will be meeting some special friends this week that will help us continue to learn about classroom rules!
