A Note From Mrs. Spivey

- We have our field trip to the pumpkin patch coming up on October 25th and will need lots of chaperones! Clear your calendar and stay tuned for more info :)
- Word Wall Words: see, to, go
- Words to Practice: I, the, my, me
- Hope to see all of you at a conference this month!
- Report Cards come home Monday!

A Peek At What We Are Learning

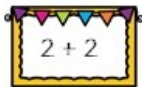

Reading

We will continue working on our Literacy Centers and start reading some books about trucks as we kick off our truck project!

Writing

We will continue working on drawing, labeling, and writing stories this week. Students are practicing being able to read what they have written and we will start sharing our work with the class. We are also going to keep working on our handwriting books.

Math

We'll start math centers this week! Such a fun way to practice what we have learned in math so far.

Science &

Social Studies

We are launching our truck project this week! We'll explore properties such as size, shape, color, materials (wood, metal, clay, plastic) etc. Throughout the course of our project we will have many opportunities to observe carefully, investigate, wonder, and pose questions. Our goals include fostering an inquisitive disposition toward learning that will last a lifetime! We are trying to create a "Curious Classroom!"

Specials This Week

Monday: TA Special Tuesday: Art Wednesday: Music

Thursday: Science Friday: Character Ed
