A Peek At What We Are Learning

Reading

We will be introducing sight words (or word wall words) this week!

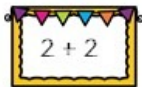

Students are practicing reading text with a l:l correspondence of written to spoken word.

Writing

We will continue working on drawing, labeling, and writing stories this week.

Students are practicing being able to read what they have written and we will start sharing our work with the class. We are also going to keep working on our handwriting books.

Math

We've started exploring concepts of sorting and classifying things by different attributes such as size, color, shape, and texture. We'll start

Science

working in our math journals and going to some math centers!

&

Social Studies

We have started our Science unit! We'll be exploring what Science is, different types of scientists, and begin learning about force and motion in the coming weeks.
